## Land Conservation Credit--Status of DEQ Review

- UNRBA has continued to meet several times with DEQ/DWR on this practice
- During a meeting on July 28<sup>th</sup> DEQ leadership restated their interest in collaborating with the UNRBA on this practice
- On August 4<sup>th</sup>, we met with DWR staff to discuss an alternative calculation method
- UNRBA submitted a memorandum to DWR on August 30<sup>th</sup> describing the revised calculations
- Awaiting feedback on this memorandum from DWR

## Status of Buffer Improvement in Developed Areas

- Public comment period ended in early May
- Comments were received from several entities
  - Restoration company
  - UNC Energy Services
  - Division of Mitigation Services (DMS)
- UNRBA met with DWR Planning staff to discuss comments and develop action plan
- Meeting with DWR and DMS October 5<sup>th</sup> to discuss comments and move toward finalizing practice
